Letter From The President Nancy Grahlmann

Hello Artists:

We have lots of new happenings within the art league making it necessary for us on the board to keep on meeting throughout our summer months to stay on top of it all. Carrie Godwin is the driving force behind creating a fresh new logo for FHAL. Making the new look, she detailed the image to stay within the same color pallet of the logo we are all familiar with. That keeps it more interchangeable as we continue to grow and growing is getting easier by the day. The new website that Godwin has so diligently worked on is now up and running. You can join the art league online, pay your membership fees and so much more.

We are striving to become not only better known in the community, but known for promoting events for kids to introduce them to new creative endeavors. On July 14th we hosted an event in the community center art room called Rock n Tile Painting. The parents of the children all expressed an interest that we offer more of these opportunities. We also wish to continue to stay connected with our schools by donating supplies to the classroom teachers that the school budget cannot provide. Please stay tuned as we continue moving forward. I guess you could say that we have been busy with our own firework explosions! July just keeps getting better.

Keep your heart open and keep on creating,
Nancy

A quick note from Carrie:

I hope everyone is having a great summer! For those of you that left for the summer we actually had some nice cool days in July that were wonderful! You missed out!

I wanted to send a quick note with everything happening with our identity transition of the league. I will say the responses have been fantastic! Thank You! At the October meeting we will have a website presentation to get you acquainted with the site more, answer questions and get your own login account set-up if you haven't already by then. You can also call me and I can walk you through the process. Carrie - 1-262-202-4978

So, the main question will be, why are we now also using “ART IN FH” as our website URL and marketing? The main reason is there are many old web links out in internet “space land” as I call it, and we are unable to shut them down. This is very confusing to someone looking to learn about the FH Art League and for members etc., and this actually hurts us. We need a fresh link to be on top of search engines and to show we are “upping” our presence and we are serious! This lends ability for us to grow in many way as the FH Art League and become the “Hub” for the arts in Fountain Hills. I think this is very exciting for us! I don't just mean painters, photographers, jewelers, I mean ALL arts at any level. If you have questions please reach out to me or another board member.

SUMMER PROJECT 2025

This summer, we're chasing the sky—and we'd love for you to join us!

We're thrilled to support the Fountain Hills Dark Sky Discovery Project, a dazzling endeavor unfolding right here in our beautiful town. Isn't it lovely watching it bloom, one dreamy step at a time? Our theme is simple: Sky. But oh, what a sky it is! Big skies, tiny skies, stormy, starry, painted in every hue your heart can imagine. As long as it touches the sky, it belongs. Artists aren't scared of bold ideas—we follow them like fireflies in the dark. Who knows what surprises will come fluttering out of your brush, your lens, your hands? Let's create, explore, and marvel together. I can't wait to see what magic you make.

Wishing you a summer full of color and delight. Go play!
