The Fountain Hills Art League welcomes you to the 2026 Artisans Tour and Sale. Our artists open their private studios and homes inviting you to be part of the arts. This year we have 7 businesses that are hosting, some are local eateries. At each location you can meet artists and purchase art. The Tour helps support the League's community art programs, benefiting youth, seniors, veterans, and most importantly the schools in Fountain Hills.

A new raffle system is being introduced this year that features 10 prizes, each valued at \$100 or more, including one \$150 gift card to be used toward the purchase of artwork from a featured tour artist. The 10 prizes will be on display throughout participating artisan tour locations. Take the tour and discover what you could win!

With any purchase from an artist, a raffle ticket will be issued. Fill out your name and phone number and place it in the raffle box. Winners will be drawn and notified by phone. Prizes can be picked up at the Fountain Hills Artists Gallery through the end of March.

***A heartfelt thank you to everyone who generously donated raffle gifts:***
